Hibachi Private Event

Thank you for your interest in Speer Family BBQ. We are thrilled that you are seeking our new hibachi service and look forward to contributing to a memorable event. I have attached a general menu and pricing sheet for your reference. Speer Family BBQ provides a unique on-site private hibachi experience that includes a private chef and server to help with all guest needs.

I'd love to get to know a little bit more about your event to ensure we can execute it to the best of our ability. Can you please let me know the following:

- date of event
- time and location/venue
- number of attendees (12 guest max)
- name of each guest with protein menu selection
- additional services needed (such as party decor services, sodas, water etc.)

After you've taken a peek at the menu, please let me know your protein choices and quantities and I can draft a formal proposal for your review. Should you like to discuss a more customized package, please let us know and we'd be happy to put something together for you
